SPONSOR OUR BRUNCH!

What is McMinnville Area Habitat for Humanity? We partner with people in your community to build or improve a place they can call home. We believe affordable housing plays a critical role in a strong, stable, and thriving community. Learn more at machabitat.org.

Together we BUILD!

The Women Build Initiative focuses on *uplifting women through the power of homeownership*. This year, we are building homes for women-led households like Kai's, pictured right. **Your partnership** will help women like Kai achieve the pride and stability of homeownership!

This sponsorship also allows us to FULLY COVER a **Women Build Volunteer Day**, removing costs for construction materials, lunch, and training for our volunteers. If you sponsor our event at this level, your benefits include up to 8 volunteer spots on MacHabitat's Women Build Day.
